17<sup>th</sup> International EABP Congress  
9<sup>th</sup> – 12<sup>th</sup> September 2021  
Royal Carlton Hotel  
Via Montebello 8, Bologna, Italy**

**The 17<sup>th</sup> EABP Congress 2021 is now only 12 months away!**

It is my pleasure to encourage all EABP members to register for the Bologna Congress 2021. Congress in 2021 will be an important gathering, where we can renew friendships and develop our professional networks after a difficult and challenging period of time for us all. We also will want to honour and mourn those we have lost, and with our memories, my wish is that we also will celebrate our lives and hopes together.

Congresses are a life blood event for EABP members, visitors and guests, they allow us to commend all that Body Psychotherapy has to offer in our very challenging world. We do this together in collective and active engagement with each other.

EABP Congresses allow us to connect professionally, to exchange thoughts, ideas and expertise, to learn from speakers, workshops and each other, and also to mutually support each other as we enable collaboration across approaches and countries. To connect Sense to Sensation and explore together the fullness of experience in Body Psychotherapy.

Members are encouraged to register and offer your proposals for workshops during the Congress. You can register your workshop proposals from *September 1<sup>st</sup>, 2020 on the new Bologna Congress 2021 website*: <https://congress.eabp.org/2021/site/>
